Preface

All of my ancestors, going back at least to 1590, were German Jews – a 350 year legacy. Of that thirteen generation legacy, three generations were decimated in the Holocaust. In researching my family tree, the magnitude of that personal destruction emerged. How many family members were murdered or lost in that horrible time?

Thus far, I have found evidence that over 680 family members, including their spouses and children, perished in the Holocaust. Over 1,100 other uncles, aunts and cousins might have been living in Europe in the 1930s. I have thus far found no evidence of their escape or death.

This is one of a series of reports detailing my findings, each based on the descendants of one to four ancestral couples. For those who perished, detailed source information is presented. For those whose fate is unknown, the information that is known, often sparse, is included. My intention is to spur further efforts to discover the fate of those who may or may not have survived.

More importantly, I would like to pay tribute to our lost family members. Hopefully, future generations will remember them and never forget the Shoah.

This report includes the descendants of

- Abraham (ca1620-) of Gemünden, Hunsrück, Rheinland-Pfalz, Germany and his wife who gave birth to the Wirth family of Gemünden.
- David (ca1730-) and his wife who gave birth to the Mayer family of Argenschwang, Rheinland-Pfalz. The Mayers merged with the Wirths in 1825 when Rosina Mayer (1799-) married Lorenz Wirth (1800-1859) in 1825.
- Joseph Loeb (ca1732-) and his wife who gave birth to the Loeb family of Steinbach, Rheinland-Pfalz. The Loeb family merged with the Wirth family in the 1860s when two Loeb sisters, Adelheid (1836-1911) and Henriette (1842-1920) married a pair of Wirth cousins, Abraham (1832-1917) and Leopold (1835-1919).

The source for this report is a family tree of 1030 members of these families that is the consolidated evolving work of many, including members of Geni.com and Ancestry.com, and individual family members. Gustav Schellack of Gemünden provided much of the earliest information on the Wirth family with further substantial work by Doris Wesner of Simmern, Hunsrück and John Henry Richter of Ann Arbor. Other primary sources/collaborators for these families include Bonnie Zeisler Frederics (Loeb family), Whitney Gulbrandsen (Wisconsin Wirth family), Craig Lieberman and Otto Wirth.

As research continues, I intend to periodically update this report.

As in all genealogical work, there are errors and omissions. There are examples of information later proved incorrect even in credible resources like Yad Vashem and the Gedenkbuch. Please report any disputed information so that corrections can be incorporated in future editions, or, if a resolution cannot be found, so that the dispute can be noted. I will be happy to act as a clearing house for other researchers so that their information can be included in the whole. I can be reached at dennisaron@comcast.net.

This report includes:

- A list of the 45 victims in these families of the Holocaust developed from research tools identified below. It includes known close family members for each victim. Source footnotes are at the end of this list.
- A Report of all the places mentioned in list of victims, including Nazi concentration camps, ghettos and extermination camps.
- A list of the 79 family members whose fate in the Holocaust is unknown and any known close family members. This was assembled by identifying those likely in Europe in the 1930s and eliminating those whose fate could be determined. Source footnotes are at the end of this list.
- A Report of all the places mentioned in the list for those whose fate is unknown.
- An index of all family members mentioned in this report.

Registers of the descendants of each of the three patriarchs are separately available. They will be provided upon request with the condition that information on any living individuals may not be posted on the Internet and must be kept private.

Below is a table that breaks out the information in this report by ancestor. The totals do not add up due to individuals who descended from more than one of these families.

<u>Ancestor</u>	Descendants		
	<u>Total number</u>	<u>Victims of the Holocaust</u>	<u>Fate in Holocaust Unknown</u>
Abraham (Wirth Family)	755	29	46
David (Mayer Family)	566	33	36
Joseph Loeb	453	16	51
Total of Above	1,774	78	132
All three combined, eliminating duplicates	1,032	45	79

Internet sites used in researching these documents include:

- **Gedenkbuch** <http://www.bundesarchiv.de/gedenkbuch/directory.html>, The Gedenkbuch was originally a 4 volume list, prepared from Nazi records, of those missing or perished in the Holocaust. The online version is fully searchable by a variety of facts including name, birth day and/or town, residence town, date of transport or date of death.
- **Yad Vashem** <http://db.yadvashem.org/names/search.html?language=en>, This database includes information from the Gedenkbuch and Joods Monument as well as Pages of Testimony by family and researchers giving information on missing and perished individuals
- **Joods Monument** http://www.joodsmonument.nl/search?q_mm=&q_search_form=person&q_advanced=1 This database focuses on Netherlands residents who perished or were missing in the Holocaust.
- **holocaust.cz** <http://www.holocaust.cz/en/main>, This database contains names and fates of Jews deported from the Bohemian Lands and of the prisoners of the Terezín ghetto from other European countries. It also includes images of documents found at the ghetto including death certificates which sometimes include the names of other family members.
- **A Kaminsky Family Genealogy** www.kaminsky.nl This is a primary online genealogy resource for the Rosenbusch family of Borcken, Hessen and other families connected with the Kaminsky family.
- **The Kester family web page** <http://thekesters.net/Genealogy/Baer.html>. This website contains genealogies for the families of Daniel Kester, the site publisher. Daniel is a Baer family descendant and has posted a detailed Baer family register.

- **The Association for the Study of the History of the Jews in Southern Germany and Adjoining Areas.** <http://www.alemannia-judaica.de/> This site has substantial information about Jewish communities, synagogues and cemeteries.
- **Jews in North Hessen** www.jinh.site50.net. This site focuses on the Jewish communities of North Hessen and their families and has a substantial number of family trees assembled from original data sources and a wide variety of other Jewish culture research.
- **Hessian Regional History Information System (LAGIS)** <http://www.lagis-hessen.de/> This is a broad Hessian history site with a very helpful section on Jewish Cemeteries.
- www.Google.com No explanation needed. There are many websites covering the Jewish communities of individual towns, which I found by Googling for individuals who were mentioned in these websites. More often than not, I found new information on others in the community as well.

The reports in this series on the impact of the Holocaust include the following families:

1. The Baer family of Wiesbaden, the Hirsch family of Mandel and the Steinhardt family of Flonheim (32 victims, 131 whose fate is unknown)*
2. The Katz families of Guxhagen, the Speier family of Guxhagen and the Plaut family of various North Hessen villages (356 victims, 538 whose fate is unknown)*
3. Descendants of Jakob and Sara of Meudt including the Heilberg, Löwenstein, and Stern families (142 victims, 200 whose fate is unknown)*
4. The Rosenbusch family of Borcken, the Gutheim family of Ungedanken and the Kander family of Riede (87 victims, 82 whose fate is unknown)*
5. The Wirth family of Gemünden, the Loeb family of Steinbach, and the Mayer family of Argenschwang (45 victims, 79 whose fate is unknown)*
6. The Aron family of Neuwied, the Michel family of Koblenz and the Heilbronn family of Frickhofen
