In May 1740 Joseph Berle is 33 years old, so he is born around 1707 and he died in 1770 (Information from Benny Hartmann, Ramat Aviv, Israel). He married **Frommet** (in May 1740 she is 32 years old), born around 1708. Joseph and Frommet Berle have in May 1740 a daughter,

Heniet, 1 ½ years old, born around 1738.
